Mr. Harrison Salisbury
The New York Times
New York, N.Y.

Dear Mr. Salisbury,

Before deciding to write the president of the University of California at Los Angeles, I had a brief discussion yesterday with Mr. Fred Graham about the contents of your 10/23 story from Los Angeles by Peter Bart.

Enclosed is a copy of that letter.

The Xeroxing of the manuscript, promised for long before this, apparently is not yet complete or it has been delayed or lost in the mails. Early last week I was informed that it would be completed by Friday and mailed then. It has not yet arrived. As soon as I have a spare copy, I will send it to you.

Sincerely yours,

Harold Weisberg
